KAYTETYE

BY VINCENT JANIMA AND

WRITING IN KAYTETYE IS VERY HARD FOR THOSE WHO DON'T KNOW FOR SOME LIKE MY SELF ITS EASY.

ME AND VINCENT WROTE THESE STORIES FOR THE PEOPLE WHO WANTED TO LEARN ABOUT THE KAYTETYE PEOPLE .

THATS WHY WE DONE A FEW STORIES IN KAYTETYE MAYBE ONE DAY THERE'LL BE MORE STORIES PUBLISHED IN KAYTETYE.

WE WANTED TO GET MORE KAYTETYE PEOPLE INVOLVED IN THINGS LIKE THIS SO THEY CAN LEARN MORE ABOUT THEIR KAYTETYE LANGUAGE.

ME AND VINCENT JANIMA WANTED TO WRITE STORIES IN KAYTETYE SO TO SHOW ALL THE PEOPLE BACK AT THE COMMUNITIES SO THEY CAN REALISE THAT THIER LANGUAGE IS NOT LOST AND FOR THEM TO LEARN TO READ IN THIER OWN LANGUAGE.

AND TO SHOW WHO EVER WANTS TO LEARN OUR LANGUAGE. IT WAS'NT EASY FOR US WHEN WE STARTED DOING THE LANGUAGE COURSE ; BUT WHEN WE LEARNED HOW TO WRITE IN KAYTETYE THEN IN WAS EASY SO I KEPT ON WRITING WHEN VINCENT LEFT. ALSO ITS GOOD TO THINGS LIKE THIS SO TO KEEP OUR LANGUAGE AND CULTURE ALIVE

THESE ARTICLES WERE WRITTEN BY [REDACTED] AND VINCENT JANIMA SOME WERE WRITTEN IN 97 & 98 SOME ARE STORIES AND SOME IS ABOUT THE KAYTETYE LANGUAGE.

ABOUT THE KAYTETYE TRIBE

THE KAYTETYE PEOPLE MOVED FROM ONE PLACE TO ANOTHER
SOME WOULD STAY AT THEIR DREAMING PLACES BECAUSE THEY
DID'NT WANT TRESSPASS ON THE OTHER MOB.

BUT WHEN THERE WAS TROUBLE THE KAYTETYE TRIBE WOULD GET
TOGETHER AND WENT TO FIGHT AS A TRIBE.

AND THEY WOULD RETURN TO THEIR OWN COUNTRY AND
SOMETIME THE WOULD LET SAY WOMAN OR MAN GET MARRIED
FROM TWO DIFFERENT PLACES.

AND THEY WERE CLEVER HUNTERSAND THEY HAVE NEVER
FORGOTEN THEIR CEREMONIES.

AND SOME LIVED AT THEIR DREAMING PLACES AND THEY EVEN
TOLD THEIR CHILDREN ABOUT THE MYTHS AND THE LEGENDS
ABOUT THE DREAMTIME.

LIKE THE ONE ABOUT THE ARELPE(THE MOON MAN)

NOT ONLY THE KAYTETYE LIVED AT THESE PLACES ,THERE WERE
DIFFERENT TRIBES STAYING OR JUST PASSING THROUGH
ARNGKE(BARROW CREEK).

SOME WERE THE POSSUM DREAMING MOB AND THE FIRE DREAMING
MOB INCLUDING THE RAIN MAKERS.

THE KAYTETYE COUNTRY HAS SO MANY DREAM SITES WHERE THE
OLD PEOPLE BACK IN THE OLDEN DAYS LIVED AND THESE PLACES
HAVE SPECIAL NAMES.

NOWADAYS SOME PEOPLE HAVE FORGOTTEN THESE DREAMSITES
NOT SOME OLD PEOPLE THEY STILL KNOW THESE SPECIAL PLACES
AND THEY WANT TO PASS IT ON TO THE YOUNG PEOPLE.

Learning Both Ways in Kaytetye

The Kaytetye language is spoken in several communities especially around Tara , Barrow Creek and Wilora. The people really speak strong Kaytetye language. Some of our children speak Anmatyerr language as well because some older people who spoke Kaytetye moved to a place called Stirling station, now called Wilora, and the community belongs to the Anmatyerr people.

If visitors such as a station owner or teacher or a miner come to live on our land he or she should learn our ways too. Like I'm saying, if the miner comes along to blow up our sacred ground he must call in to see the station owner and Elders at the community so he or she can learn both ways.

We younger people have got to stand up for and protect our older people and their rights so the older people will show us our native maps so we can know which sacred country belongs to us. and so we can teach our children while our older people are still alive.

WRITING IN KAYTETYE

IF PEOPLE WANT TO LEARN TO WRITE IN KAYTETYE ITS NOT EASY BECAUSE SOMETIMES ITS HARD TO PRONOUNCE THE WORDS PROPERLY.

AND YOU HAVE TO MAKE SURE YOU GOT THE SPELLINGS RIGHT AND ITS EASY IF YOU ALREADY KNOW HOW TO WRITE.

IT WONT BE A PROBLEM AND THE ONLY VOWELS THAT ARE IN KAYTETYE ARE A AND E WE TRIED TO USE THE LETTER I BUT IT ONLY MADE IT LOOK STUPID.

IT TOOK ME AWHILE TO WRITE IN KAYTETYE TILL I NGOT EVERYTHING RIGHT.

BUT ITS HARD FOR THE BEGINNER BECAUSE SOME WORDS CONTAIN LONG SENTENCES AND THEY HAVE GOT HYPHENS IN THEM AND TO SPEAK IT ITS LIKE SPEAKING IN GERMAN.

WALA-WALA

Out at my community we used to go out camping out at the bush with the community tractor out west looking for porcupine. We would climb up the hill look in the caves for the porcupine and some people would look in the gullys. We would stay out bush till pay day and we would kill porcupines, kangaroos and emus. We didn't want to kill euros because its hard to eat. Another day we killed two emus when they both came to drink water, we knew there were a couple of emus drinking there because we saw a lot of birds gathering at the swamp. We walked around the swamp to see if there were any emu tracks, sure enough there was about a thousand tracks. So we waited at the swamp for the emus. It took us about four hours just waiting for the emus. When I looked up in the sky I saw the bird that always follows the emus. Then I saw about six emus coming to drink the water, they were coming closer and closer so I loaded the rifle and shot two. We had porcupines, kangaroos and emus, thats how we grew up eating bush tucker.

After coming back to the community we went eastward to Colters camp, right around to a place called Redbank through to Homer, a bullion, killing along a lot of kangaroos, emus and turkeys to take back to the people at the community. When I came back the station boss asked me to work for a month out at all the bores mustering cattle to truck. After if any of the cattle got injured we would kill it to eat and to take back to the meathouse. After we finished working I went back to the community.

TALK OF OUR LANGUAGE KAYTETYE

Our language Kaytetye is dying because we lost some of the Elders who were speaking hard Kaytetye language.

We only speak slightly Kaytetye because of the people moving into another communities and marrying another language man or woman. And their children get confused they don't know which language to speak. They don't know if they want to speak their mothers or fathers and they will be speaking both language or more different languages.

And that's why me and the other Kaytetye call students from the Kaytetye tribe are writing and translating the language. So some of the hard language we can write down and teach our children also younger people.

That's why we want to keep our language and culture strong and keep our ceremonies alive. Like initiation both ways like young men and young girls in Kaytetye ways.

And we also like to pass on our culture to the new generation so they can keep our language and culture strong not the one's living in the other remote community's because the other children won't speak Kaytetye it's their parents fault. So we have to tell their parents to think about their future and heritage.

So that's why we are doing this course to keep our language strong and to write it down in books like a dictionary and learner's guide, flash cards and to learn about the bush foods. Also so we can teach any white person if they want to learn our culture and our language.

We got a few lectures who speak Kaytetye because they wanted to learn our culture and our language. The I.A.D mob are trying to make a dictionary in Kaytetye language.

We have one book called "kaytetye country" it was published in 1993 written by Horald & Grace Koch and they both speak Kaytetye. because they were taught by our old people before they passed away. They worked for several years at these places called Neutral junction, Barrow creek and Stirling. The kaytetye names for these places are Elwerre, Thangkenarenge, and Tara.

Kaytetye is spoken in these communities especially around Thangkenarenge, Elwerre and Tara.

The people living in these communities speak mixed languages. Some of our children speak Anmatyerr as well because some of our old people who spoke Kaytetye moved to a place called Stirling Station. Now called in anmatyerre language, Wilora, and the community belongs to the Anmatyerr people.

WHERE THE KAYTETYE PEOPLE LIVED BEFORE

THE KAYTETYE PEOPLE LIVED AT THESE PLACES BEFORE THE WHITE MAN CAME TARA ,TAYLORS CROSSING RWLETEYE(NEW BARROW BORE) METHERRE ARNKE,AND ALONG THE NINE MILE CREEK.

SINCE THE WHITE MAN CAME THERE WERE BIT OF TROUBLE BETWEEN THE KAYTETYE PEOPLE AND THE WHITE MAN OVER SEVERAL THINGS.THE KAYTETYE PEOPLE MOVED FROM DIFFERENT LITTLE PLACES TO ANOTHER AND WAS CLEVER HUNTERS AND THEY NEVER LOST THIER CULTURE IN CEROMONIES.AND SOME LIVED AT THIER DREAMING PLACES AND THEY EVEN TOLD THEIR CHILDRENS.

ABOUT THE MYTHS AND THE LEGENDS ABOUT THE DREAMTIME LIKE THE ONE ABOUT THE ARELEPE(THE MOON MAN) NOT ONLY THE KAYTETYE LIVED AT THESE PLACES THERE WERE ALSO DIFFERENT TRIBES STAYING OR PASSING THROUGH ARNKE(BARROW CREEK) SOME WERE THE POSSUM DREAMING MOB AND THE FIRE DREAMING MOB INCLUDING THE RAIN MAKERS.

THE KAYTETYE COUNTRY HAS SO MANY DREAMING SITES WHERE THE OLD PEOPLE BACK IN THE OLDEN DAYS LIVED AND THESE PLACES HAVE SPECIAL .

NOWADAYS SOME PEOPLE HAVE FORGOTTEN THIER DREAMING SITES NOT SOME OLD PEOPLE THEY STILL KNOW THESE SPECIAL PLACES AND THEY WANT TO PASS IT ON TO THE YOUNG PEOPLE. SOME OF THE PEOPLE DON'T REALLY LIKE WHERE THEY ARE CURRENTLY LIVING NOW BECAUSE THE PLACE THEY ARE STAYING BELONGS TO SOME OF THE TRADITIONAL OWNERS LIVING IN OTHER COMMUNITIES.

THEY LIKE TO MOVE BACK TO THIER OWN COUNTRY ^{and} MAYBE MAKE THIER OWN COMMUNITY GROW LIKE ALEKARENGE

AND SEE THIER YOUNG KIDS GROW UP AT THIER GRANDFATHERS ,MOTHERS, AND THIER FATHERS COUNTRY AND NEVER KNOW THEY MIGHT TAKE OVER FROM THIER PARENTS AND RUN THE COMMUNITY.

KAYTETYE IS PRONOUNCED KAY-DITCH.

THERE SOME WORDS IN KAYTETYE THAT HAVE PREFIXES AND SUFFIXES AND SOME MIGHT HAVE 'P' IN A WORD, BUT YOU DON'T PRONOUNCE THE 'P' LIKE IN AMPERE-CAMP AND IN AMPENKE-DIG.

AND SOME WORDS MIGHT MEAN MORE THAN ONE WORD FOR
EXAMPLE LWERNE MEANS TUCKER AND TO GET SOMETHING
AND EKWE MEANS SMELL AND SKIN NAME AND SOMETIMES.
YOU GOT TO MOVE YOUR TONGUE IN DIFFERENT POSITIONS
HOW TO PRONOUNCE KAYTETYE WORDS
AND SOME WORDS HAVE HYPHEN LIKE
KWATHE-ERAYNTYE-DRINKING
ARNTHWEKE-ARNTHWEKE-SOGGY,DAMP
TO READ KAYTETYE LANGUAGE THERE IS A FEW HARD
WORDS AND AFEW EASY ONES.

THE ENGLISH OF THE KAYTETYE LANGUAGE INCLUDE SOME
PIDGIN KAYTETYE MAY FOLLOWED WITH -GETHER- TO
INDERATE MOTHERGETHER WHICH MEANS MOTHER AND CHILD
OR DAUGHTER.

If visitors such as station owners or school teachers go to the community, if they want to learn more about our culture or our language, they'll have to go and see the community elder.

If he or she go and ask any young fella the young fella won't know the traditional ways of the land he probably won't know the sacred sites and ceremony grounds so the teacher or the station owner have to go ask the Elder for permission if he or she can go to see that place or to learn our culture and our language and to learn it from our Elders..

Also we younger people have got to stand up for our old people and their rights. So the old people will show us our native maps so we can know which sacred country belongs to each people and we can teach our children while our old people are still alive so they pass it on to their children and their children's children.
